I have just a few announcements to make.

In the spirit of the season, we have been trying belatedly, but for some days now, to arrange for some seasonal singing before adjourning at the conclusion of the session tomorrow evening. We had hoped that we perhaps could have the Naval Academy Glee Club. Unfortunately they go on holiday today and the same was true of several other groups. We have, however, been fortunate in being able to arrange for singing here in the chamber at the conclusion of the session tomorrow by the Boys Choir from the Immaculate Heart of Mary Parish near Towson, Maryland. This is a group of twenty-eight boys who have received a great deal of publicity recently. They sang not too long ago in the Senate Cafeteria in Washington. As a result of that, they were invited by Mr. Chief Justice Warren to sing for a function of the Supreme Court. They have also sung at the White House. They are singing tomorrow evening a benefit performance in Baltimore and have kindly consented to come down here before hand and sing the same program for us. It will be a half hour. The singing, of course, will be a capella because we have no musical instruments. They will occupy the gallery behind the rostrum of the President. They will be here around 5 or shortly thereafter. Whether or not we finish our agenda, and I think we will, we will plan to recess or adjourn promptly at 6 so that the singing could then take place because they must leave here by 6:30 P.M. in order to complete their engagement in Baltimore.

I think you will enjoy it and I would suggest to those of you who are able to have your spouses present to suggest that they come down. I think they, too, would
